Driving Directions: From Spokane International Airport to the Acme Testing Co. Spokane Valley EMC Test Facility:

Exit Spokane International Airport and take Interstate 90 heading east. Continue on Interstate 90 heading east, and exit at Sullivan Road (exit #291B). This is an approximately 35 minute drive.

At the traffic signal, turn left onto North Sullivan Road, and continue through six additional traffic signals. Proceed over the Trent Street overpass, and look for the Key Tronic Parking Area, which is located on your right.

The Acme Testing Co. Spokane Valley EMC Test Facility is located in the off-white building located in the field just east of the parking lot at 4428 North Sullivan Road.

Entry to the laboratory building is via the single-door on the east side of the building. Deliveries to the laboratory building can be made via the double-doors located at the base of the down-ramp on the north-east corner of the east side of the building.
